### Testimonials

- Excellent session. Best head and neck teaching I have had to date. Thankyou (UK).
- As usual Dr Khan is the Boss of radiology teaching, arguably the best in the world. I would think of him as the Godfather if I want to reference the Italian mafia. He has many followers who respect him (UK).
- Heartfelt gratitude to the only free radiology prep course. The organisers made the course online this year which is an added benefit.
- Another wonderful session from the most inspirational teacher. Thank you so much. Life changing course! (UK).
- Very nice head and neck teaching from Dr Sami (UK).
- Excellent teaching (UK).
- These classes are very late according to our local time (4hours ahead of BST) .. but since they are so informative and well taught, I take them nonetheless. A big thanks to Dr Khan for such excellent teaching (Pakistan).
- Head and neck is the most difficult topic of radiology. Sir khan has made it easy for us. Thank you sir! (Pakistan).
- Perfect lecture (Pakistan).
- Dr. Khan is truly helping so many radiologists not only prepare for the exam, but also helping them to improve their day to day reporting (Saudi Arabia).
- Excellent as always Dr Sami (India).
- Excellent course (Saudi Arabia).
- Excellent teaching (UAE).
- Excellent way of teaching. Superb class (Pakistan).
- Superb (Pakistan).
- For the first time.. I found myself enjoyed to watch the whole 3 hours without feeling bored with the contents or the way it is introduced. Really thank you Dr Khan (Oman).
- Excellent class, slow explanation, calm teacher. Very informative (Iraq).
- Really helpful, excellent teaching (Pakistan).

- Very well presented, excellent cases (UK).
- Very fantabulous . Thank you (Nigeria).
- Extremely interesting and gripping (Pakistan).
- Wonderful session (Pakistan).
- Excellent as usual (UK).
- Just amazing! (India).
- Excellent and informative talk (Pakistan).
- Brilliant teaching. Thank you (Saudi Arabia).
- Very thorough! (UAE).
- Very educative session (UK).
- Thanks a lot for your detailed teaching. To be honest no one ever taught us like that here in Pakistan. Can't appreciate your efforts more (Pakistan).
- Excellent as always (UK).
- Extraordinary effort (Saudi Arabia).
- Thank you for your commitment to us trainees and to education. Can't be said enough (UK).
- Excellent Dr Sami. He is an exceptional teacher (Saudi Arabia).
- Love it! thank you so much (UK).
- I am so grateful, thank you Dr. Khan you are kind and Great (Turkey).
- One of the best sessions ever. Thank you so much (Pakistan).
- It's very informative and good session. Sir teaching style is v good and elaborative (Pakistan).
- Very simplified and beautifully explained head and neck anatomy , amazing cases. Enjoyed every single minute of it . Thank u (Pakistan).
- This is an amazing initiative. I haven't been taught in such great detail ever. Thankyou sir (Pakistan).
- Online free learning of highest possible standard thank you for including us foreign candidates of 2b.
- These are the best classes I've taken so far! Lots of prayers for sir Sami! (Pakistan).
- Very good class.. Excellent teaching. Thank you khan sir (India).
- Excellent as always. Very supportive examiner (UK).
- Extremely thankful for all sessions, excellent way of teaching (Pakistan).
- Outstanding (Pakistan).
- An excellent teaching session. No one would ever have delivered it better than Dr Sami. Thank you sir (Australia).
- V good teaching (Pakistan).
- Great session. In particular I feel that the overview of anatomy has been key and integral to helping me understand and appreciate the imaging characteristics of head and neck tumours / pathology. Thank you very much Dr Khan (UK).
- Great job (Sudan).
- Many thanks Dr Khan (UK).
- Excellent session, thank you very much (UK).
- Very useful , thank you very much Dr. Khan (Iraq).
- Excellent tailored teaching for 2B exam, thank you! (UK).
- Really informative and to the point teaching method (Pakistan).
- Excellent teaching by superhuman Dr Khan (UK).
- Covid-19 actually proved to be very good for Pakistani radiology residents as we got a chance to learn from legends like you (Pakistan).
- Really good lecture and excellent cases (UK).

- Thank you so much for your valuable time and teaching (Pakistan).
- Thank you Sir for another wonderful lecture. I have struggled with Head and Neck for many years and this makes it so easy to understand (Nigeria).
- Excellent, I found it extremely useful. A daunting subject for many but taught very very well, especially the anatomy! Thanks so much! (UK).
- Excellent, superb teaching. Nothing beats that (Australia).
- Excellent. Words cannot explain Dr Khans excellence level. Really want to work under his guidance. Please accept FCPS Pakistan as well or make some single test to register there in UK. Grateful and many thanks (Pakistan).
- Please only include excellent and remove others like good etc. Dr khans is more than excellent (Pakistan).
- Another wonderful life changing teaching session. We owe you so much Dr Khan and are so very grateful to you (UK).
- Wonderful way of teaching . Never ever taught any one like this .we are blessed having Dr Khan with us. My all prayers and we'll wishes for him. Many love from Pakistan . Stay blessed all team (Pakistan).
- Dr. Khan is doing an amazing job, making his excellent teaching available free of cost for radiologists around the world (Saudi Arabia).
- Excellent quality of teaching (UK).
- Excellent in every aspect for learning and routine practice (Australia).
- 100 % Excellent session (Pakistan).
- Great as usual (UK).
- Excellent teaching on a very difficult topic. Thanks (UK).
- Fantastic as always thank you so much (UK).
- Excellent learning experience for me. Much thanks (Pakistan).
