### Testimonials

- Dr Nayagam is a great teacher and these cases were had some amazing learning points. Please keep it up. Many thanks to all (UK).
- "Excellent variety of cases, with good explanations given afterwards Dr Nayagam did not rush, he took time to go through everything and gave good feedback. He is like a real examiner and does not interrupt or overly prompt candidates" (UK).
- Thank you very much, Dr Nayagam and Dr Khan. These sessions have been worth their weight in gold (UK).
- Great sessions, great teaching. I will highly recommend this link not only for FRCR 2B but also for every practising radiologist great learning platform, thanks a lot (Qatar).
- Excellent case selection. This was one of the best viva sessions I've been to (UK).
- Many thanks to Dr Nayagam for generously giving up 4 hours of his evening to do this Viva session. Lots of new learning and unseen cases (UK).
- Examiner is perfect (Ukraine).
- "High quality teaching from amazing staff. Relevant cases Presented for free for people across the globe" (Egypt).
- "Brilliant. So grateful for your evening time Dr Kesavan to viva and teach! Excellent case selection. Thank you Dr Khan for making this amazing resource available for free" (UK).
- Great job with many thanks to all (Yemen).
- Dr Nayagam brings excellent, challenging cases and provides positive but constructive feedback. Thank you (UK).
- Thanks so much. Great presentation by Dr Nayagam (UK).
- Excellent source of teaching - very high level (Malta).
- Wonderful (Pakistan).
- excellent session by Dr. Kasey (Pakistan).
- Thank you for great effort (Oman).
- Excellent teaching (Pakistan).
