## Testimonials

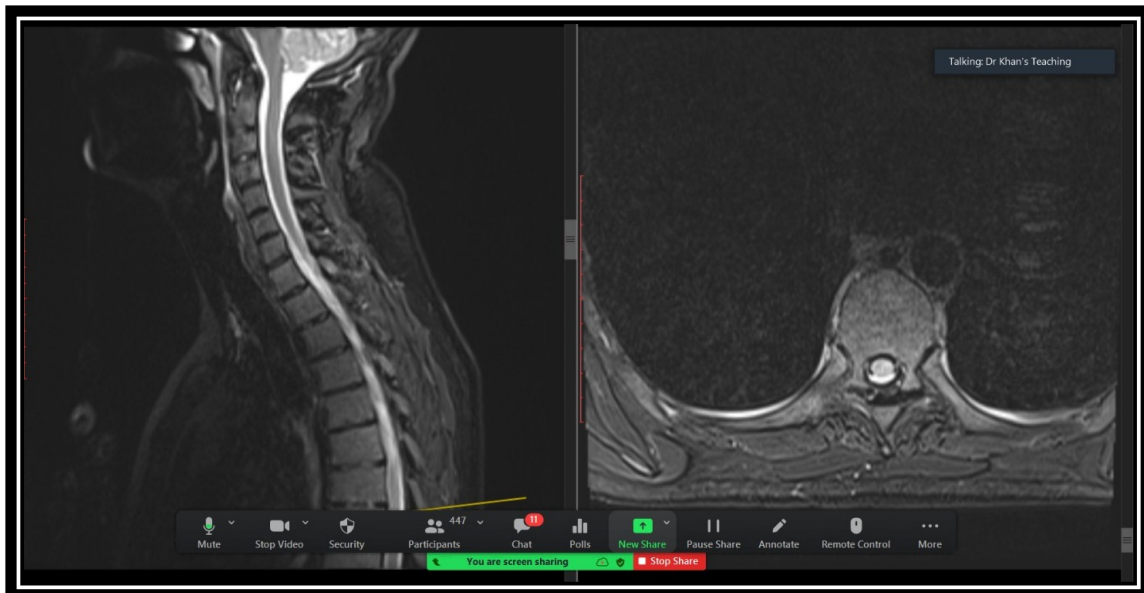

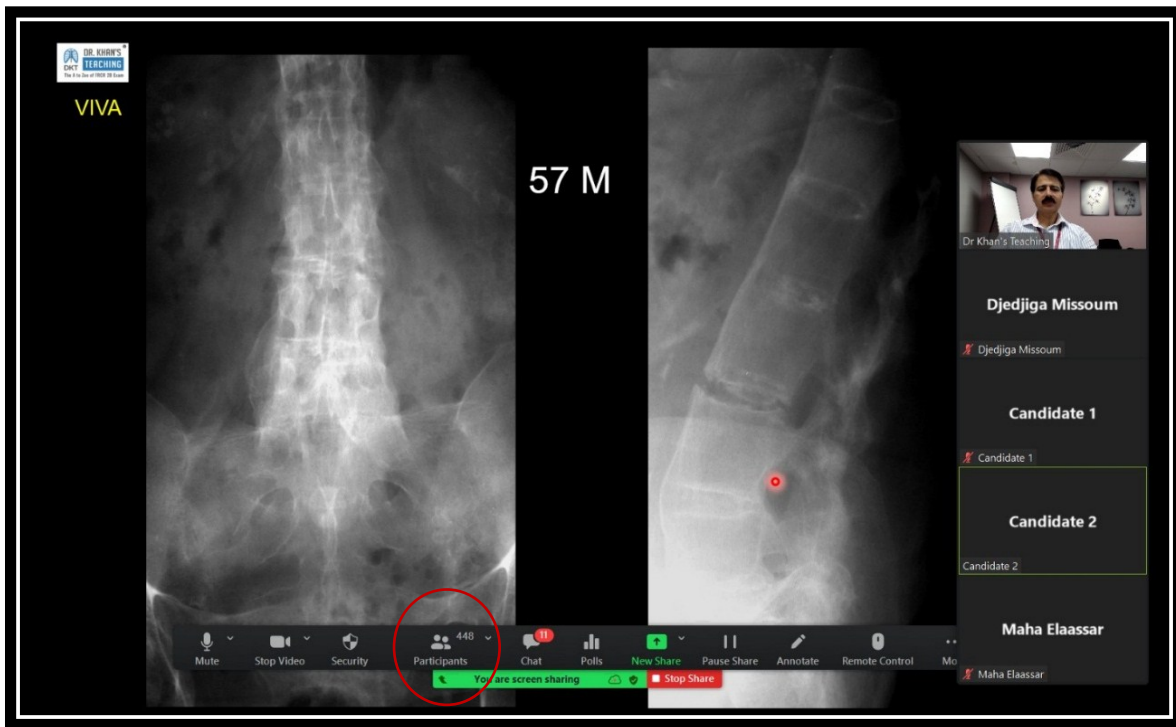

- Truly a five star course!! And best of all it's for free!! (UK).
- Truly speaking, Words can't explain the worth of these awesome teaching sessions (Pakistan).
- Excellent session on how to approach an osteoarthritis case! Dr Khan has simplified the most difficult concepts into an easy to follow and structured format! Thank you (UK).
- I really like the recap at the beginning of what was down the previous week it really helps to consolidate the information. Good time keeping! As ending on time is so important to avoid fatigue (UK).
- It's very valuable (India).
- Best teaching out there (UK).
- I can't thank Dr. Khan enough for his awesome lectures. Such a good pace of teaching and excellent exam oriented content (UK).
- Very well taught and described. Dr. Khan's knowledge is awesome (Canada).
- Every single word is important indeed! (Pakistan).
- Amazing (UK).
- Best teaching (UK).
- Extraordinary (Canada).
- Great session as always (Malaysia).
- Excellent talk (Pakistan).
- It's great effort and very useful (Egypt).
- The sessions are very educative (Kenya).
- Awesome and marvelous lecture by All (Pakistan).
- Perfection personified (Pakistan).
- Excellent. Much appreciated (Egypt).
- "(1)The attention to details. (2)Professionalism. (3)Dedicated and committed faculty. (4) Sticking to schedule. Were the most valuable aspects to name a few" (India).
- Very helpful course (Oman).
- Excellent learning forum (Pakistan).

## Session 2.8 MSK for FRCR 2B: (a) Arthritis (b) Soft tissues

- Great teaching (UK).

- It is very useful (UAE).
- Wonderful effort Dr. Khan (UK).
- Excellent teaching session (Kenya).
- Great teacher (Pakistan).
- Very beneficial (India).
- Thank you!! Amazing session (UK).
- I'm very thankful for the session (Pakistan).
- Very thorough (UK).
- Very informative (UK).
- Very helpful (Zimbabwe).
- Despite it being aimed at 2B candidates, I still found the session to be useful and very interesting (UK).
- Great presentation (South Africa).
- Perfect (UAE).
- Excellent teaching style ,pace is according to students (Canada).
- Very impressive (India).
- Practical (Qatar).
- Jolly good (South Africa).
- Excellent lectures thank you sir (Pakistan).
- One of the best zoom sessions ever attended . Thank you so much (UK).
- Nice lecture (Sudan).
- "Very informative presentation. We need more sessions please" (Sudan).
- Fantastic session, a lot of thanks (Sudan).
- No words for this MORE THAN EXCELLENT (Saudi Arabia).
- Fantastic as always (Kenya).
- Great effort (Pakistan).
- Excellent teacher (UAE).
- All is fine (Sudan).
- It's perfect (Canada).
- More lectures from Dr. Khan (UAE).
- Very informative session, very elaborate (Pakistan).
- Now I can recognize and differentiate between arthritis diseases (Oman).
- Well structured, variety of cases (Egypt).
- As a new ST1 some aspects of the lesson were beyond my understanding however I got a lot out of the plain film cases and it helped me to revise my anatomy in preparation for my ST1 year. It also refreshed some pathology that I came across in my T&O rotation. Thank you (UK).
- The whole presentation was awesome (South Africa).
- Everything was perfect (Canada).
- Very well managed combination of delivery of the theory and viva session with candidates! (UK).
- All aspects were good especially the DDs in each cases and how to approach them (India).
- Session is excellent (UAE).
- Perfect coverage of the topic (Saudi Arabia).
- All lecture is very useful (Oman).

Session 2.8 MSK for FRCR 2B: (a) Arthritis (b) Soft tissues

- Everything is useful (Malaysia).
- Interactive sessions (Kenya).
