Testimonials

- Excellent teaching session. Good he went through anatomy first. Cases were very interesting too. Good to have a mixture of presenters who all have different yet excellent teaching skills. Your teaching gives me confidence to start reporting as a junior SPR (UK).
- Really enjoyed this session. Dr. Butt was very patient and humble. Appreciated him going over the basic anatomy first then mentioning some pearls. Showing images of the various different pathologies was very useful rather than just descriptions (UK).
- It will be very helpful and lots of basic thing I have learned from this season. I love the way of teaching (Pakistan).
- Overall enjoyable and informative session. Enjoyed Dr. Butt's immense knowledge and experience (UK).
- Wonderful teacher, extremely knowledgeable. Clearly an expert. Thank you (UK).
- Very in depth and nicely explained...great images and easy conceptualization. Many thanks Dr. Sajid and Dr. Khan (UK).
- Speakers' feedbacks, styles of case approaches and how to report the specific cases are amazing, wonderful and very informative (Myanmar).
- "Lecturer had good depth of knowledge, his ability to show anatomy and case based discussion were the most valuable" (Zambia).
- Excellent tutorial session (Nigeria).
- Outclass (Pakistan).
- Excellent as always (UAE).
- Superb session (Pakistan).
- Excellent talk. Informative (Pakistan).
- 10/10 (UK).
- Excellent teacher (Zambia).
