Testimonials

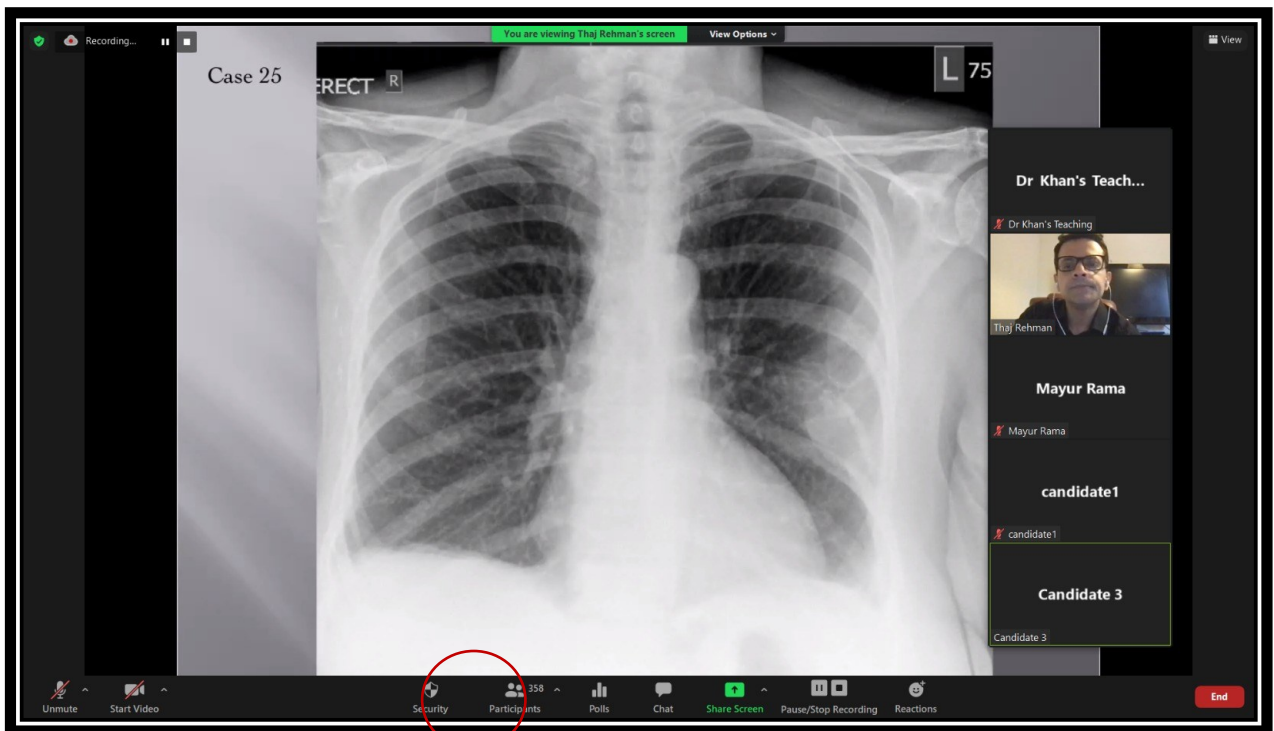

- Fantastic session going through CXRs in a quick fire format. Allowed us to see lots of pathology and cover a wide breadth in this session. Thank you to Dr Thaj Rahman for a great session!! (UK).
- Am blessed to be here with legends (Pakistan).
- Great and very vital chest course. I am enjoying it (UK).
- Wonderful and took chest X-ray to another level (Oman).
- Very helpful session. Chest X-rays are one of the most common and most difficult area. Thanks for conducting this session (UK).
- "Very nice effort. Thanks a lot DKT team. All of these lectures for free is a blessing" (Pakistan).
- Really nice variety of cases with summary of key points to mention in the exam setting. Really good refresher session as well" (UK).
- Great variety of cases and focusing on certain missed review areas. Also appreciate Dr. Rahman going over some knowledge slides with differentials (UK).
- Very detailed lectures, I enjoyed the references to Chapman differentials, its helped me to understand concepts that were previously unclear (Nigeria).
- Many thanks and I hope to arrange lectures like these to my colleagues and juniors in Egypt (Saudi Arabia).
- Brilliant as usual (Egypt).
- Thank you Dr Khan and Team! (UK).
- Excellent cases and useful teaching (Egypt).
- Great (Pakistan).
- Lovely (Saudi Arabia).
- Excellent presentation (Kenya).
- Very good (India).
- Awesome teaching material for exam, thank you so much (Malaysia).

Mini Basildon A to Zee Chest (Basics)
