Testimonials

- "An absolute masterclass in gynae imaging, I always hated this topic and found it so confusing but Dr Sujith demystified it, and even made it very enjoyable to learn about. Loved it entirely. Very grateful to Dr Sujith and Dr Khan" (UK).
- Excellent slides, cases, clear and concise teaching, she has made Gynecology seem easy and is definitely the best gynecology teaching I have received in radiology training, it is not only useful for FRCR 2b exams but also useful for daily work or should I decided to do sub specialist blocks in Gynae and Radiology (UK).
- I liked the way madam taught every case, just superb (Pakistan).
- Great teaching (UK).
- Dr Sujith went through the basics in a systematic fashion which was a very useful pre exam revision (UK).
- Just wow! I did not miss any point. It is very pedagogic. She approached the subject in order in detail. I learned lots of thing (Algeria).
- The beautiful lecturer is so patient with the candidates and allows them to correct their mistakes by repeating cases they initially misinterpreted (Nigeria).
- Massive thumbs up (Ghana).
- Excellent lecture:) Dr Sujith is an excellent teacher. Thank you Dr Khan (UK).
- Awesome session. Thank you so much, madam (Bahamas).
- Perfect, Perfect and Perfect!! (UK).
