Testimonials

- It is always fun and interesting watching Dr Imran in action with his stern examiner style grilling of candidates! He does not sugar-coat and gives hard hitting but honest feedback to the candidates and really picks up on some genuinely solid points to help them improve! As a junior radiology trainee this is very informative on how to approach a viva case. Thank you! (UK).
- "Excellent teaching session, Interesting cases" (Algeria).
- Excellent learning opportunity (Pakistan).
- The cases had subtle findings but were picked carefully, so learned to tune my eyes to them (Pakistan).
- "Interesting and challenging cases, clear images and very kind feedback by Dr Imran" (Kenya).
- Thank you! Excellent session (Yemen).
- Went very well (India).
