● Yes  
● No

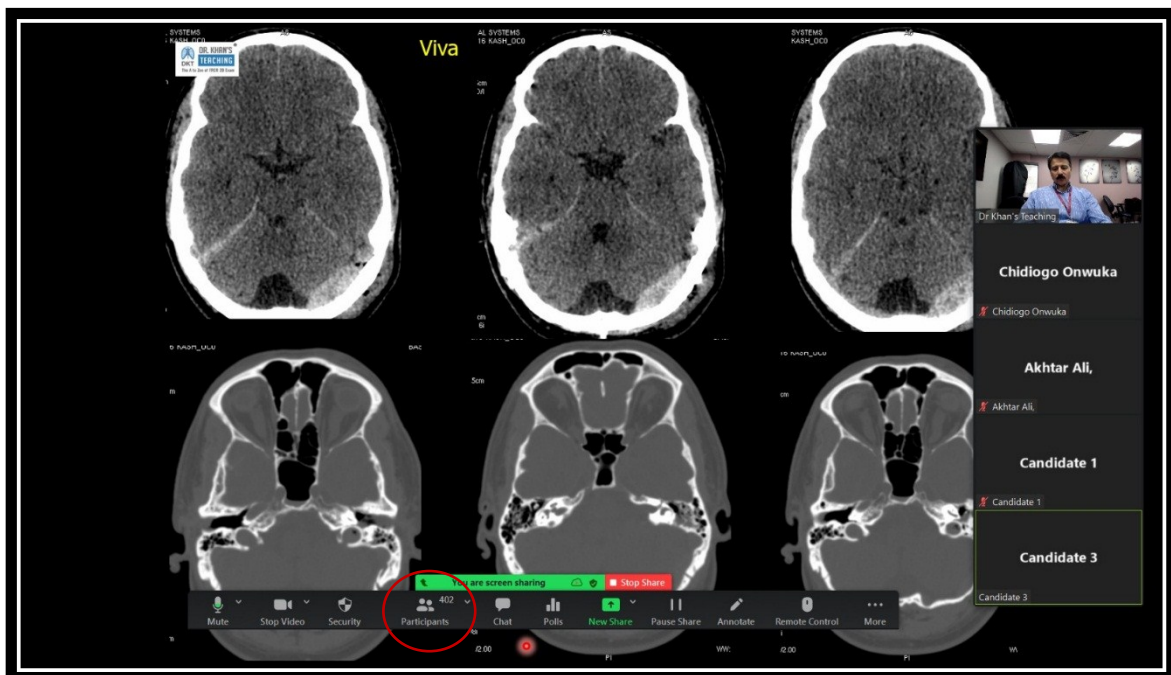

### Testimonials

- The valuable teachings - the explanations and real life examples shown, and the opportunity to be on hot seat (India).
- It was mostly a recap and revision of previously covered material, but it was still very useful with plenty of nice case examples, and succinct slides summarizing the theory. The viva cases were challenging and good practice for the FRCR exam (UK).
- Very helpful session for day to day practice, excellent thank you so much (Egypt).
- Thank you very much! Excellent session! (Oman).
- Well done Dr Khan as usual , I learned a lot from this session. Thanks (Sudan).
- This lecture help me to improve my anatomy knowledge, reporting skills (Pakistan).
- I liked the presentation diversity (India).
- Wonderful preparation and presentation (Libya).
- Great case examples (UK).
- Very informative, comprehensive coverage of trauma (UK).
- Overall Outstanding and selfless effort by Dr Khan and his team, recently I meet them in my country which was one of my dream. So thank you so much (Pakistan).
- Very informative (Oman).
- Thank you, really find the current mix of cases and revision teaching useful.
- Good explanation (UK).
- I liked the simple way of teaching (Qatar).
- All aspects were valuable (Pakistan).
- Excellent viva sessions (Pakistan).
- Useful information (UK).
- Every aspect is useful (UK).
- Helps me a lot to understand concepts of intracranial bleed and how to manage it (Pakistan).
