Testimonials

- Absolutely incredible, really enjoyed attending this session. Please rebroadcast it soon, because it was so educational and beneficial that I need to watch it again. All you need to know for MSK for 2B in 3 hours, in such an interesting and engaging format. Much love to DKT and God bless Dr Pressney (UK).
- Dr. Ian Pressney conducted an amazing session on MSK radiology and I have greatly benefitted from it (Saudi Arabia).
- The cases shown were absolutely beautiful, such a huge range and variety of pathologies, absolutely fantastic to see, it was so comprehensive. Dr Pressney covered every MSK pathology that I know of. He has an incredible case collection. It was a masterclass in MSK imaging covering all you need to know for FRCR 2B, and even as a general radiologist. Fantastic that so much ground was covered in 3 hours- held my attention for every minute (UK).
