Testimonials

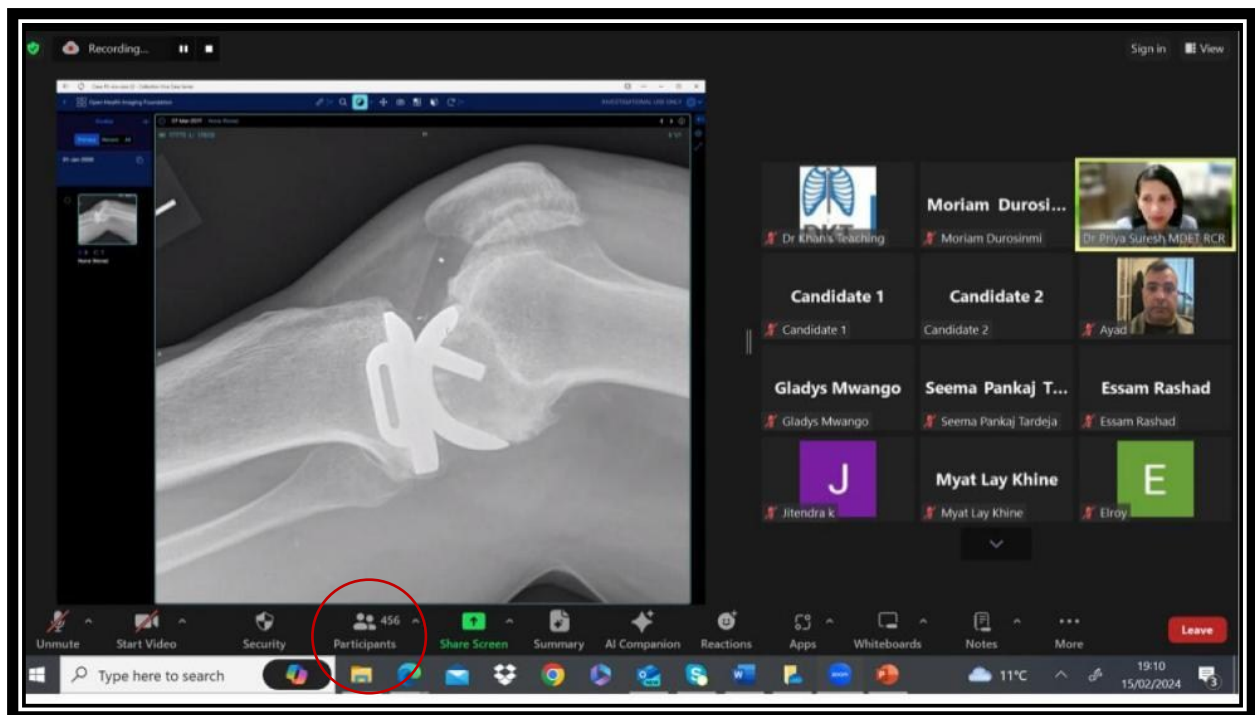

- Wow what a session! Dr Priya Suresh is truly an incredible teacher! I found it immensely useful for my learning as key high yield msk cases were shown for the FRCR 2B. It was also very helpful to reflect on my own plain film protocol and recognise areas to improve. Thank you very much. Hope to have more sessions like this! (UK).
- Very useful cases and helpful for both 2A and 2B revision. Dr. Suresh is an amazing teacher and very reassuring and lovely (UK).
- Absolutely impressed! Amazing teaching skills and excellent presentation (Egypt).
- Interesting cases with a very smart approach. The presentation and case discussion are clear and informative. There was also a very good time management (Egypt).
- Excellent teaching session. I've learnt a lot prosthesis-related complications (Malaysia).
- This is amazing lecture. Common cases with an usual presentation are properly dealt with and approached (UK).
- Amazing. Need more and more from these cases. Thank you Dr Priya. Thank you Dr Sami (Egypt).
- An excellent teaching session with good approach tips for exam. Much appreciated (UK).
