MSK - MRI for FRCR 2B (a) How to report MRI Foot & Ankle (b) Exam cases viva

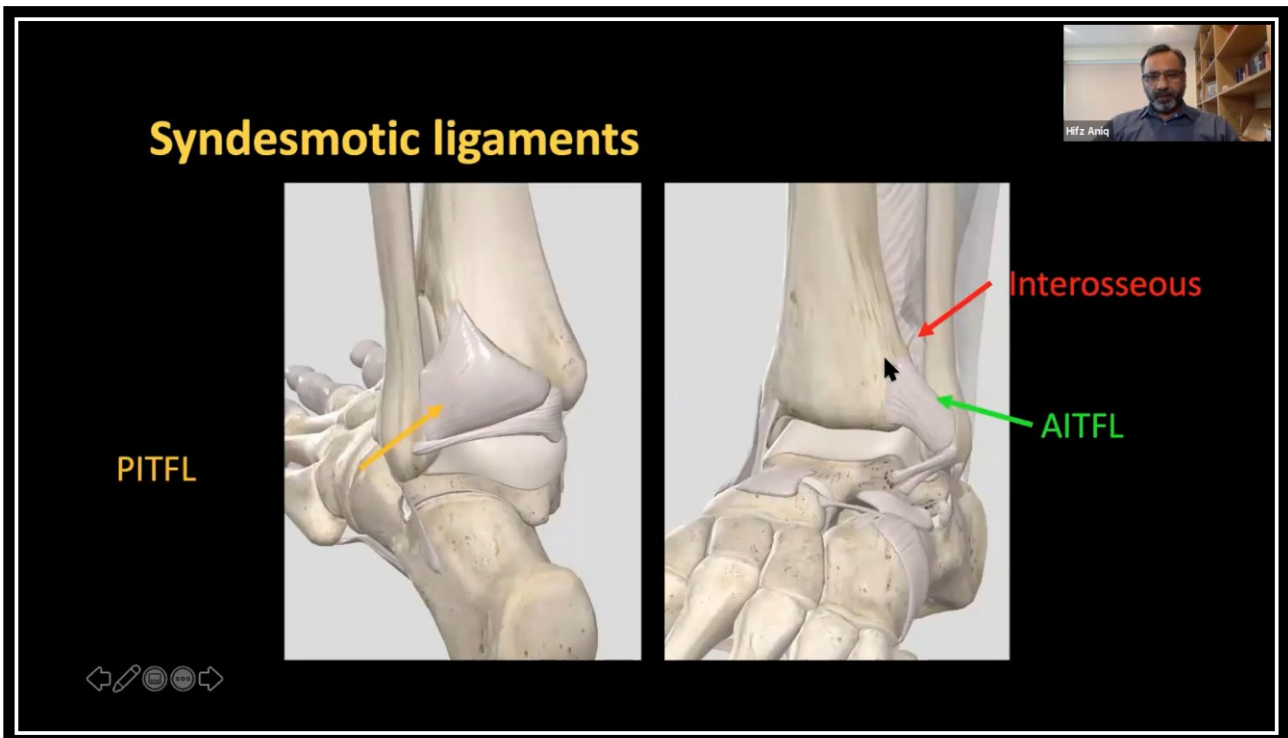

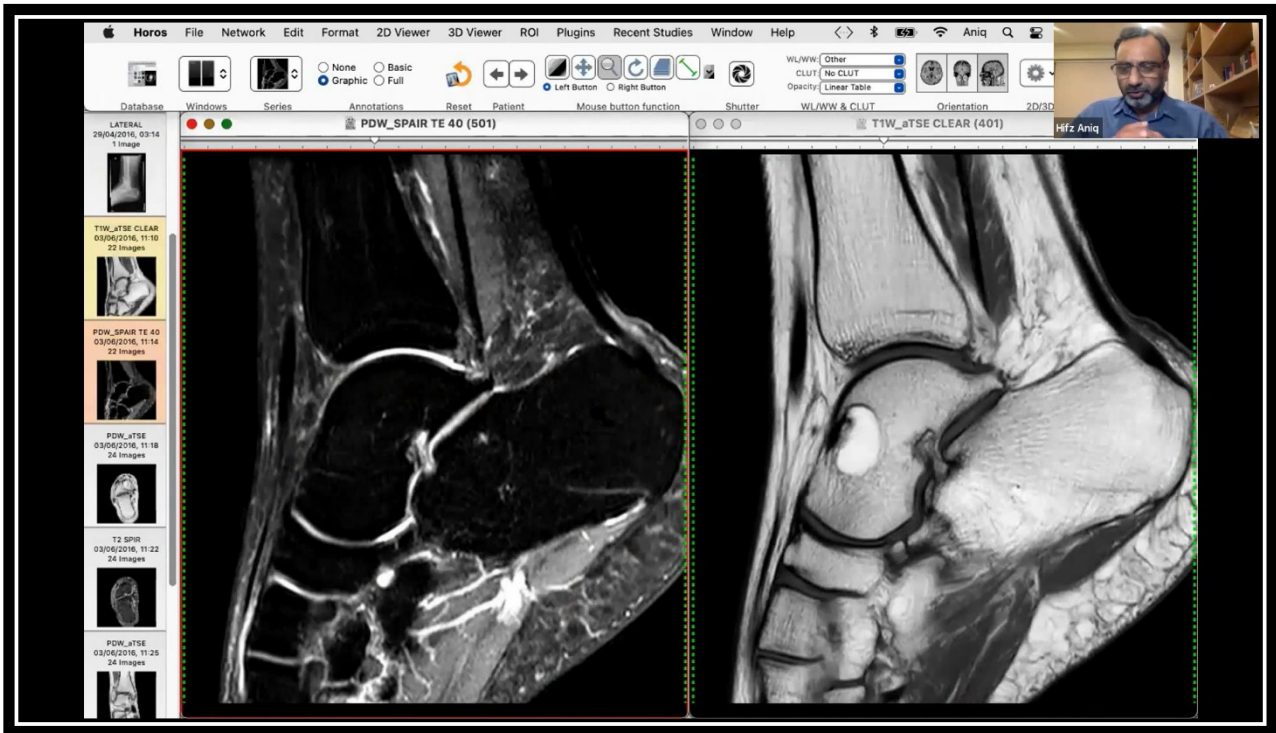

Testimonials

- Really amazing to learn from the best. Thank you so much. I actually spoke with Dr Aniq at the BSSR this week and I thanked him in person again. Please bring him back to teach more specialised MSK topics (UK).
- Very thorough teaching many thanks, appreciated both the anatomy revision and coverage of the pathology. I had anatomy teaching but never the pathology teaching (UK).
- It is mind blowing how well organised and structured this lecture (Algeria).

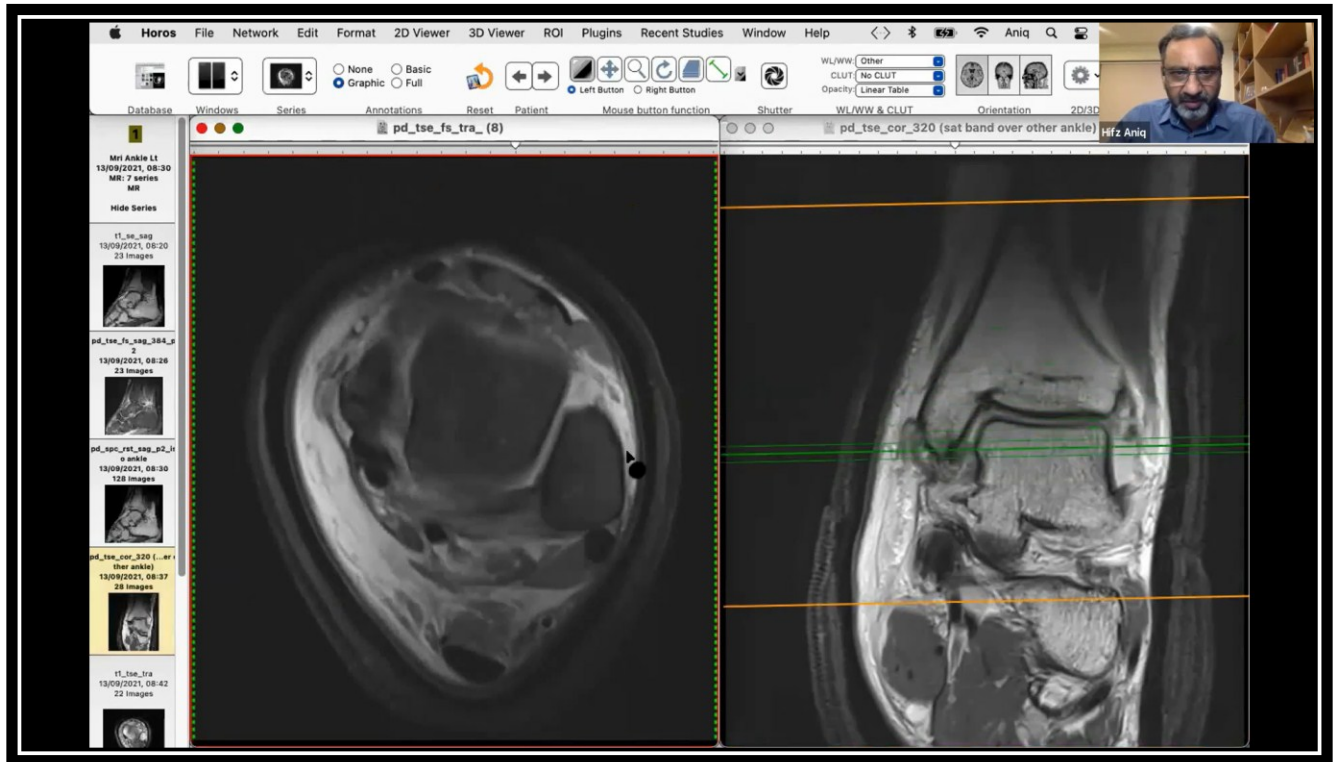

MSK - MRI for FRCR 2B (a) How to report MRI Foot & Ankle (b) Exam cases viva

- Brilliant explanation of anatomy and MRI focused approach (Pakistan).
- Excellent methodical approach I can try and adopt (UK).
- Excellent, free of cost teaching sessions (Pakistan).
- Anatomy, pathology and cases - everything is well organised (Algeria).
- Excellent teaching with case examples (UK).
- The viva session after the teaching segment was the best aspect (South Africa).
- Excellent teaching (Iraq).
- Nice lecture (India).
- It was perfect (UAE).
- Excellent teaching session (Malaysia).
- Radiological anatomical details along with pathologies were the most useful (Pakistan).
- I liked the structured approach (India).
- Excellent systematic approach (Sri Lanka).
- Very educative (Nigeria).
- Very thorough teaching thank you so much (UK).
- Very helpful video (India).
- Excellent! Thanks, keep it up (Pakistan).
- I loved the style of presentation: simple and straight forward (Pakistan).
- Excellent teaching of foot MRI (Saudi Arabia).
- Good description (UK).
- Teaching session and cases (UK).
- I liked the descriptive way of class (India).
- I liked the systematic approach and important case highlight (Malaysia).
- Excellent session!! (Pakistan).
- Excellent teaching session (Algeria).
- Using pointers all the time makes it very, very effective for us. Thanks (India).
- It was perfect (UAE).
- Brilliant (South Africa).
- Excellent lecture, thank you (Jordan).
- Very nice, precise explanation (Sri Lanka).
- Content and delivery were excellent (UK).
- Detailed, clear explanation, approach giving were the best aspects for me (Egypt).
- Informative (Malaysia).
- I liked the detailed explanation (Pakistan).
- The basic introduction is extremely useful (Egypt).
- Nice lecture (Pakistan).
- The best things were the concepts (India).
