Testimonials

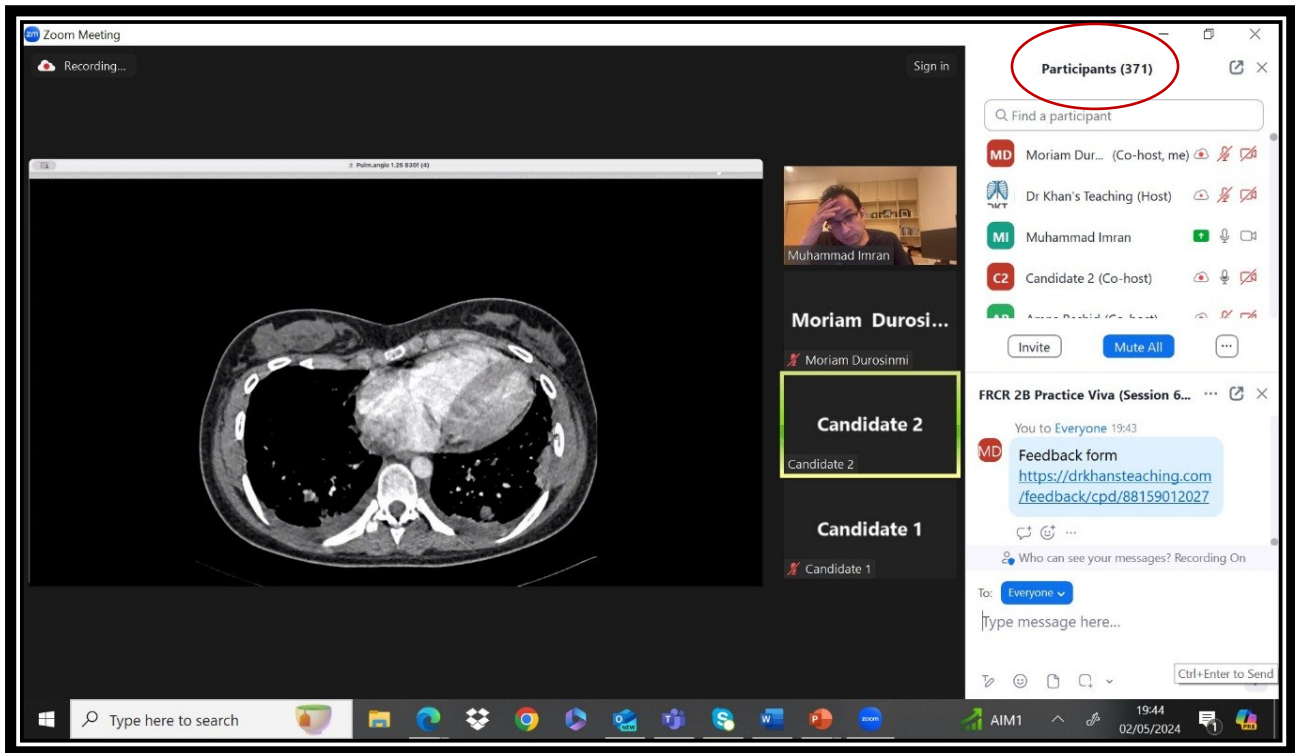

- Dr Muhammad Imran is a real viva teacher, he creates an exam environment and gives very useful feedback on each case (Pakistan).
- The tips on how to talk and think in viva were the most useful (UK).
- Real exam situations. Honest feedback from examiner makes prepared for any situation (UK).
- Good cases and explanations (UAE).
- More of my man Muhammed Imran, the most kickass, don't take prisoners, most badass guy in radiology ! (South Africa).
- Taking DKT is always good, helpful learning stuff. It always always gives you concepts which you never get reading books time and again, thank you team DKT. Prayers for you guys (Pakistan).
- Thanks again for the good notes on how to do in exam, great respect for your effort (Yemen).
- Exam strategies were the most useful (Zimbabwe).
- Cases were good, thought provoking. And the examiner, Dr. Imran was in this session I guess he made me think to improve more and more because he is sort of grilling. That is actually good because we can come across these type of examiners so we have to be prepared. It reminds that you can stuck in every case if the questions are a bit tricky. So loved this session (Pakistan).
- Muhammed Imran should run for London mayor ! (South Africa).
- Muhammed Imran - the boss! (South Africa).
- Good cases and advice for the exam set up (Sri Lanka).
- Good explanation (Saudi Arabia).
- Good exam tips and cases (Pakistan).
- Excellent cases (UAE).
- Nice new cases and ideas (Saudi Arabia).
- Good mix of multisystem cases were most useful (South Africa).
- Best (Pakistan).
- Interactive session (Canada).
