### Testimonials

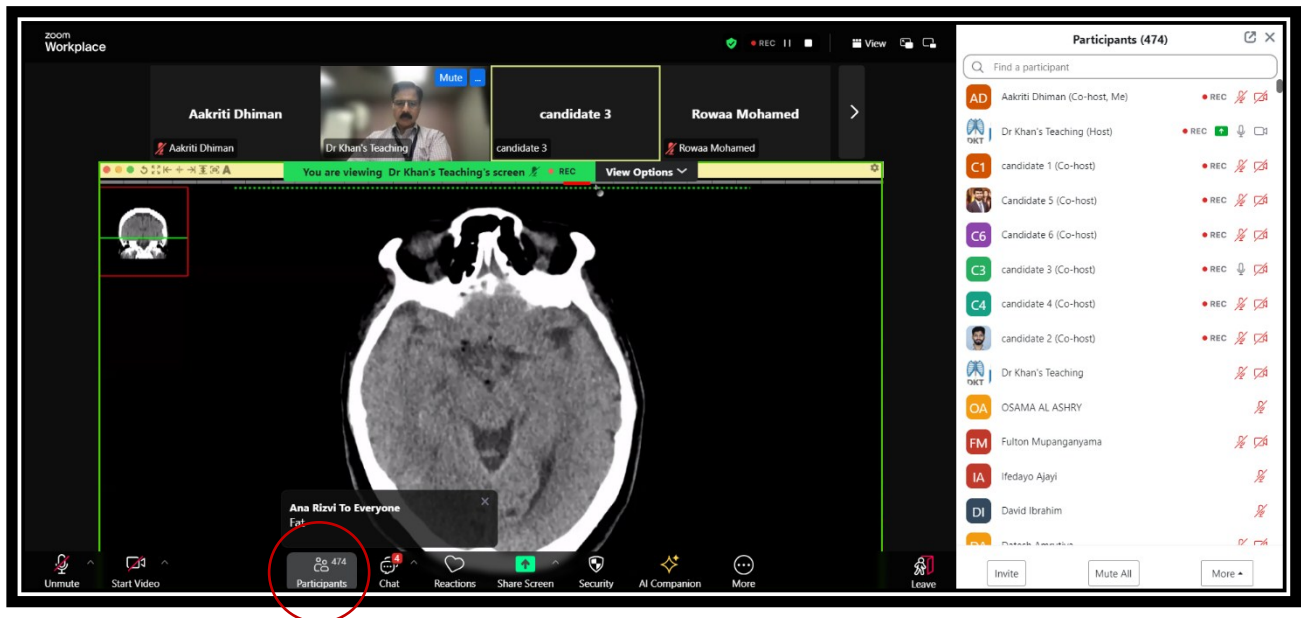

- An absolute life saver for me with an added encouragement for FRCR. Thanks a million Dr.Khan and team (India).
- Amazing lectures sir, I arrange work & schedule so that I couldn't miss it (Egypt).
- I truly appreciate the time Dr. Khan has taken from his busy schedule to teach us with so much patience! Again, a great session with variety of cases (India).
- Thankful for Dr Khan. This is really helpful and motivational. It also directs me on how to study during my exam preparation (Jordan).
- Always fantastic lectures and very helpful (UK).
- Multimodality imaging for each case, the impetus on description, correlation with higher modality when required was useful. Most valuable has been the fine touch, lecture style consolidation of key aspects at crucial points. Overall, great choice of cases. Please keep this going (India).
- The variety of cases and the illustrations prepared by Dr Khan was useful. Also, prostate MRI discussion was great (Jordan).
- Really appreciate it, such a wonderful lectures (Iraq).
- Awesome session as always & found it really helpful (India).
- Great teaching session (South Africa).
- Absolutely wonderful session (India).
- Brilliant session (South Africa).
- Excellent teaching session (Algeria).
- Excellent lecture with good exam oriented cases (India).
- The diversity of cases was most useful (Saudi Arabia).
- Everything was useful. No one can match Dr Sami's lecture (Pakistan).
- Different cases with engaging discussions was useful. Very important for viva exams (UK).
- Good teaching points (Egypt).
- Abberant right subclavian artery and work out was most useful (UK).

## DKT FRCR 2B Practice Viva (Session 73) THE POT-POURRI OF FRCR VIVA CASES - Top Tips, Differentials, "A to ZEE" & More ! (Part 12)
