Testimonials

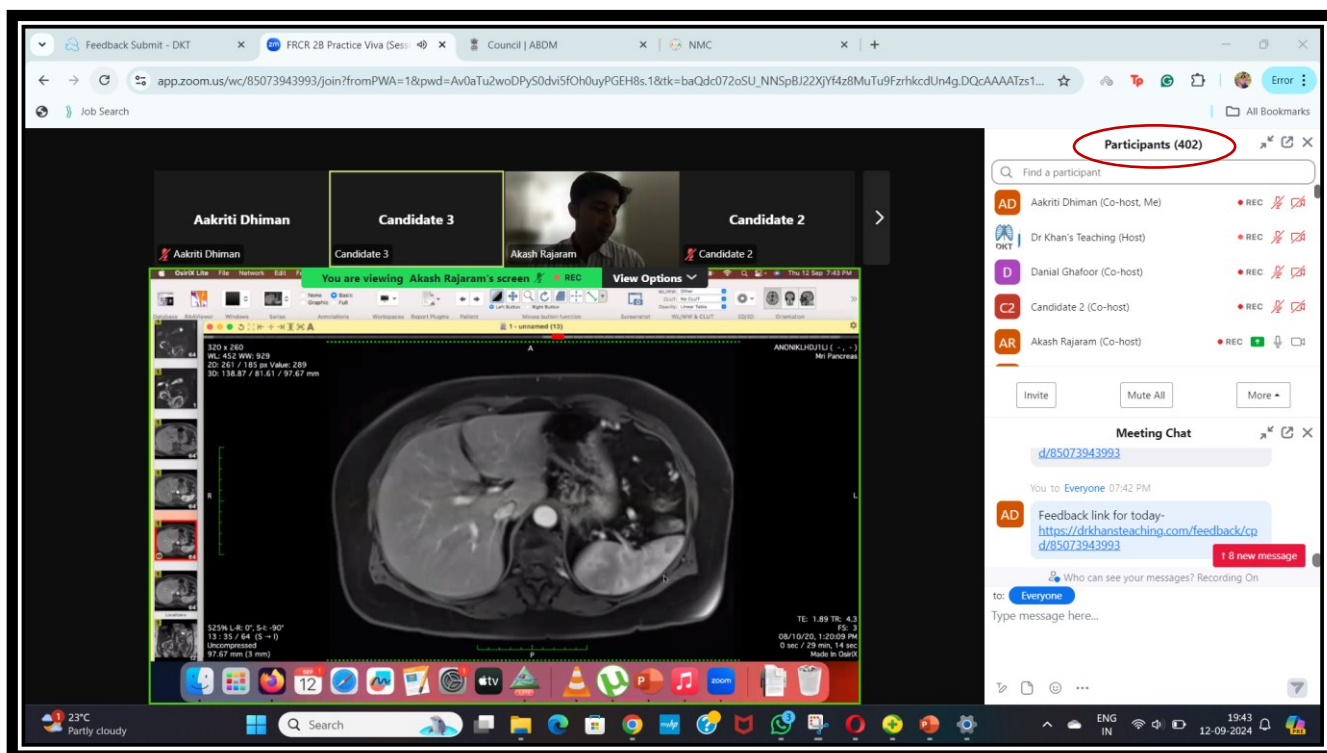

- Great cases, some with subtle findings. Common findings looked unusual on MRI images shown, which was a really good exposure and eye-opener (Malaysia).
- MRI appearance of common and uncommon cases, viva environment, and setting were most useful (UAE).
- The way of discussing cases, learning about different cases, and how to present a case was useful (Yemen).
- Similarity to the exam style, various modalities, body MRI and fluoroscopy were so useful (UK).
- Amazing collection of cases and explanations from Sir (India).
- Explanation of the cases after the candidate answer was most useful (Egypt).
- Great session, very beneficial for us. Thank you Dr. Akash! (Malaysia).
- Excellent forum for the radiology learning (Pakistan).
- Brilliant cases (Sudan).
- Very good session (Malaysia).
- Excellent lecture and cases (UK).
- Valuable lecture (Yemen).
- The whole lecture was useful (Yemen).
- Cases selection and discussion were useful (UAE).
- Quality of the cases were useful (Nigeria).
