Testimonials

- I am post FRCR and still find these sessions incredibly useful for my learning. The Pot Pourri cases by Dr Khan brings so many great pathology! As always Dr Khan is genuinely one of the best teachers around! Thank you sir! (UK).
- Great lecture with invaluable insights and points by Dr. Khan - A true mentor (Pakistan).
- Always waiting for your sessions sir, thank you so much (Egypt).
- Excellent explanation on subtle findings that could be missed easily demonstrated with tips on how to not miss them (Zimbabwe).
- I liked when he taught how to approach a case and relate pathology with radiology (Saudi Arabia).
- Best teaching ever (Sudan).
- The detailed discussion right from clinical history, details of the findings and search for any extra findings was really helpful (Pakistan).
- The different images and ability of candidates to scroll was amazing. Also candidates being given a chance to present (Botswana).
- As usual very helpful teaching session, with emphasis on practical day to day cases. Thank you sir (India).
- Excellent session by Dr. Sami Khan! Thanks a million (Pakistan).
- The teaching after every case and emphasis on important points is very helpful (Pakistan).
- Grateful to DKT forum for such efforts and providing us with this opportunity to learn (Pakistan).
