Head and Neck for FRCR: 1. PNS (Part 2) 2. Facial bones 3. Pterygopalatine Fossa  
4. Oral Cavity (Part 1)

## Testimonials

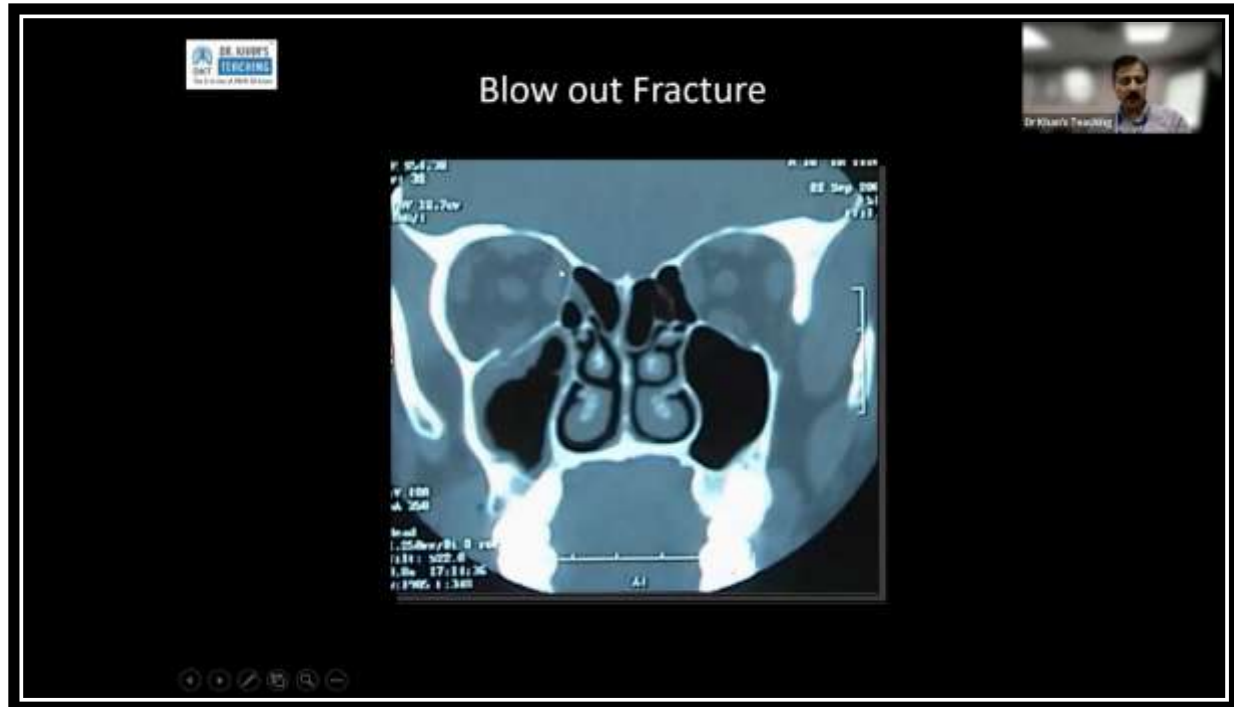

- Excellent approach to elaborate the complex anatomy into the simplest way that one remembers easily and also the differential diagnosis based on anatomical and radiological feature correlation (Pakistan).
- Really appreciate DKT radiology lectures which have helped me pass the FRCR 2B exam and continue to contribute positively to my radiology reporting (UK).
- Brilliant teaching session on the paranasal sinuses & neck spaces pathology as always, taking us through a diverse exam oriented cases. Really amazing (India).
- An excellent anatomy review with great great dental-related pathology examples and a very calm, respectful way of teaching. Thank you Doctor Khan! – Anna (UK).
- Interesting cases followed by anatomy and pathology review. Simplified pterygoid and tongue anatomy. DICOM ready emphasis and stress the important part (Algeria).
- So kind of the presenter and team to bring learning to our virtual doorstep (UK).
- Detailed teaching on the anatomy and related pathology of PNS, oral cavity and facial bones (Ethiopia).
- An excellent review of anatomy of PNS, oral cavity and facial bones followed by imaging features of disease processes involving these areas (UK).
- Excellent teaching session as always (Nigeria).
- Great coverage of the maxillary sinus lesions and now mandibular pathology and great anatomy teaching (UK).

Head and Neck for FRCR: 1. PNS (Part 2) 2. Facial bones 3. Pterygopalatine Fossa  
4. Oral Cavity (Part 1)

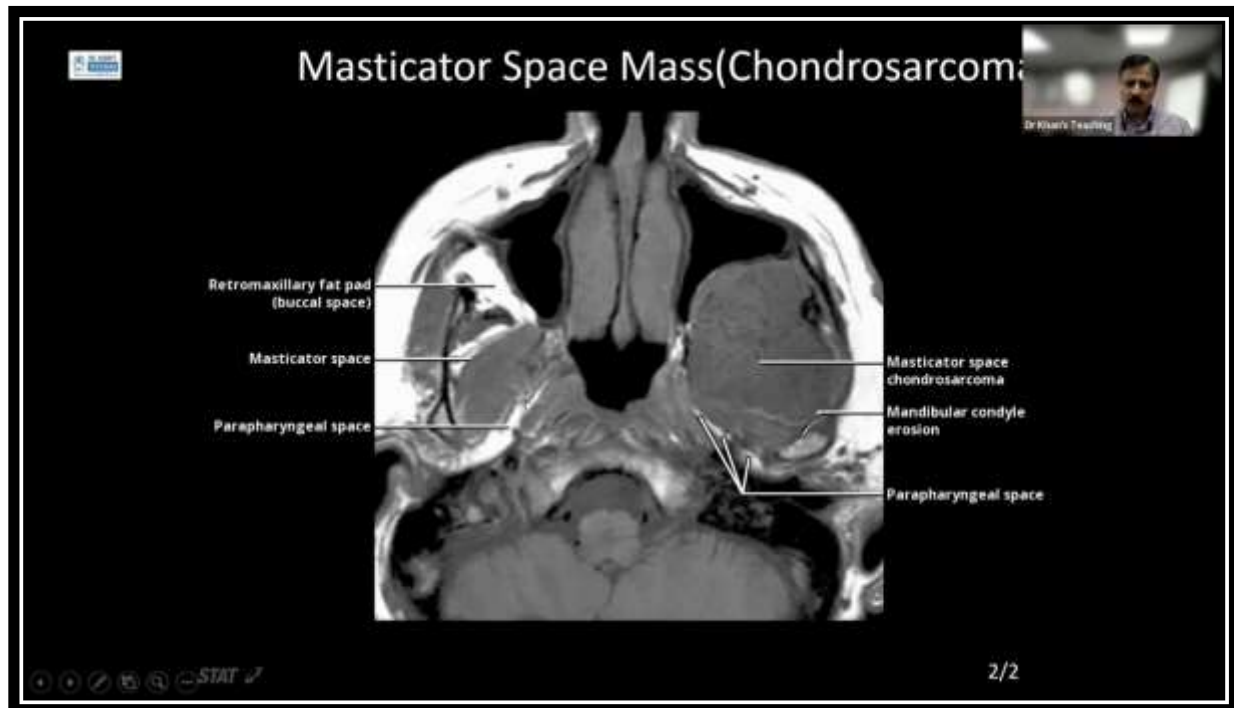

- The review anatomy was really helpful (Thailand).
- Nice teaching style (Saudi Arabia).
- Anatomy was most useful. It helps so much in reporting as few points are written in books but I am unable to see on imaging ... Dr Khan makes it possible (Pakistan).
- Awesome as usual (UAE).
- Very educative (Nigeria).
- Basic things which we usually forget and important exam cases with points to reach the diagnosis were useful (Pakistan).
- Anatomy was explained in an exceptionally good way (Saudi Arabia).
- Superb session (Pakistan).
- Really helpful for our learning (Pakistan).
