Testimonials

- As always, an absolutely fantastic teaching session by Dr. Suresh with excellent cases! Always learn a lot from her sessions. She is a true maestro in the FRCR teaching world! We need more of her sessions, please!! Thank you! (UK).
- Brilliant session by Dr. Priya Suresh; very engaging, exam-relevant cases with useful viva tips. Enjoyed today's meeting a lot (Pakistan).
- The lecture was extremely valuable, especially the structured approach to MSK cases and the clear explanation of key imaging findings that commonly appear in the FRCR 2B exam. Dr. Suresh's method of breaking down complex cases into simple, exam-focused steps was very helpful. The emphasis on differentiating similar MSK pathologies and highlighting common examiner traps added significant value. The interactive discussion and real exam-style cases also improved my confidence in approaching MSK viva scenarios (Somalia).
- The examiner showed very good exam cases with very nice feedback (Saudi Arabia).
- Very useful session in preparing for the upcoming 2b examinations. Thank you! (UK).
- Excellent teaching session as always (Nigeria).
- Excellent session as usual (UAE).
- Overall, an excellent session as always! (India).
- Great selection of cases, kept to time, felt like a real exam, kind and informative elaboration (UK).
