### Testimonials

- Good cases with dual pathology and excellent cases of acute GI presentations that are very useful to have seen for on-call. Super enthusiastic! He made me love the bowel too! (UK).
- All aspects of the lectures are valuable, especially the discussion. I always have problems with GIT cases, but today I feel more confident (UK).
- Excellent! Really shows how much you love GI radiology and the knowledge you have. Thank you (UK).
- Dr. Jay is really a brilliant teacher, with marvelous, super-selected cases and clear, concise feedback (Egypt).
- I liked the way he pointed out the abnormality and gave a summary to the point. The way of teaching is fantastic (UK).
- Awesome teaching, Dr. Jay Patel! Thank you so much, Dr. Khan, for providing this platform! (Pakistan).
- Loved the gastro focus session today by Dr. Jay Patel, brilliant teaching and amazing cases! Big thank you to Dr. Khan for providing this phenomenal learning platform (Pakistan).
- Detailed explanation of the images by the teacher. He is indeed a great teacher (Saudi Arabia).
- Remarkable. We are listening to DKT lectures from Bangui, Central African Republic. Thank you! (CAR).
- Exceptional! will definitely transform my day-to-day reporting (UK).
- I hope this could happen every day; then the exam would be a walkover. The anchor was patient, detailed, professional, and helpful (UK).
- Excellent explanation of concepts. The sigmoid blowout case was really nice (Pakistan).

- I liked the teaching and recapping of how the cases should be reported. His feedback to the candidates was very insightful (UK).
- Very, very good session. The teaching was exquisite, and there was so much good information (UK).
- Excellent cases and presentation. Really important for real-life practice, not just the exam (UK).
- He taught us how to actually interrogate a case like a detective! (UK).
- Brilliant session, thanks (UAE).
- Really nice tips by Dr. Patel. Especially regarding MDT in GI cases (Pakistan).
- Excellent teacher (South Africa).
- Absolutely brilliant (UK).
- Excellent session (Nigeria).
- Impressive session, thank you very much (Kuwait).
- Excellent teacher. Very patient. Good knowledge of his subject (UK).
