Testimonials

- Great talk with amazing pediatric epilepsy cases, and this is the first time I saw 7T images. Thank you for the great presentation, and thank you, Dr. Sami Khan, for inviting such a knowledgeable speaker from London. What an amazing session! (UK).
- Great real-life cases and covering a very important topic (Saudi Arabia).
- Excellent session; many new cases and difficult Dx were useful (Pakistan).
- Imaging characteristics of different conditions were useful (Sri Lanka).
- Enlightening session on epilepsy in paediatric neurology cases (India).
- Awesome platform for learning and upgrading radiology knowledge. Thanks so much, Dr. Khan and Dr. Kumar! (Pakistan).
- The way of explanation was useful (Iraq).
- A variety of cases were useful (Malaysia).
- Good talk (Malaysia).
- Very impressive collection of cases (India).
- Amazing session and cases (Iraq).
- Good cases and teaching were useful (UK).
- It was useful going through syndromic features on MRI (UK).
- Everything was useful (UK).
