Testimonials

- One of the best teaching experiences I have had, which includes deanery as well as subspecialty teaching from the Royal College of Radiologists (UK).
- The lecture was very interesting for me. I liked the variety of cases, which were presented in an easy way with nice presentations. I think this kind of lecture will improve our ability to better think in day-to-day practice and will help us in the exam also. Thank you, Dr. Khan, for your amazing presentation (Jordan).
- As always, Dr. Khan's patient teaching style is admirable. He never gets frustrated and focuses on teaching even from basic errors (Norway).
- Amazing case collection with very important take-home messages, brilliant as usual. Many thanks, Sir. Many thanks to Dr. Khan's team (Egypt).
- Excellent teaching session with eye-opening cases. Thank you, Sir! (Nigeria).
- The mixture of cases coupled with excellent teaching from Dr. Khan was most valuable (Ethiopia).
- Thank you from Australia. It is 06: 50am here! (Chat log).
