## Testimonials

- It was an excellent lecture in all aspects. Case selection was top-notch, and the explanation and teaching were the cherry on top! (Pakistan).
- Repeating this great session of a great teacher, Dr. Anjali Sujith, was most valuable. A simple and clear way to deliver such important obs & gynae imaging messages with clear, concise feedback to candidates was most useful (Egypt).
- The lecture was very interesting; it covers a lot of main topics in gynecology. The presentation was easy with a variety of cases (Jordan).
- The extensive cases with a list of Chapman differentials for the pathologies helped for a quick review (India).
- A beautiful presentation was useful. Very well explained (Nigeria).
- Nice and interesting presentation; we are looking for more similar lectures in the near future (Jordan).
- Great selection of pathologies was useful. Good clear presentation (UK).
- Teaching by Madam was most valuable (Canada).
- An excellent explanation of cases was useful (Saudi Arabia).
- Well-explained pathologies through interesting cases were useful (Austria).

- Covered the huge topic in a simplified and exam-oriented way (Saudi Arabia).
- The variety of cases, both benign and malignant pathologies, was useful. Great as a refresher (UK).
- Exceptional command on differentiating points for pathologies closely interlinked (Pakistan).
- Excellent cases (India).
- The presentation was good! (Malaysia).
- Excellent session and well-paced findings explanations. Thank you (UK).
- Excellent lecture (Saudi Arabia).
- Very nice and detailed explanations of female imaging. Thank you so much (Pakistan).
- Interactive style was useful (UK).
- Very good cases (UAE).
- The cases and discussion were useful (India).
- Variety of cases and systematic discussion were useful (India).
- Every part was useful (UK).
- The clear explanation of each case (Thailand).
- Excellent (Malaysia).
- It covers basics and all aspects of most common pathologies with illustrative cases (UK).
- Way of teaching was useful (Pakistan).
- Cross-sectional images were useful (Nigeria).
- All of it was useful (Sudan).
- The teaching was useful (Nigeria).
- The teaching points were useful (Sudan).
- Good review of cases was useful (India).
- Clear descriptions of various pathologies were useful (UK).
- Every aspect of the session was useful (Nigeria).
- Comparison of all the sequences was useful (UK).
- Case and discussion were useful (Egypt).
- Multiple cases of the single topic to consolidate the knowledge were useful (Pakistan).
- The demonstration of the cases was very nice (UAE).
- Excellent teaching (UK).
- Excellent presentation (Nigeria).
- Appreciated (Thailand).
- Excellent session (Pakistan).
- Cases were complex, but the teaching style was wonderful (Pakistan).
- Very educative (Nigeria).
- Great session (UK).
- Keep it up (Pakistan).
- Thank you, Dr. Khan, and your guest for your efforts (Jordan).
- Everything was useful (Pakistan).
- A good staging explanation was useful (UK).
- She is teaching well (UK).
- The different cases, findings, and differentials discussed prior to explanation were useful (Pakistan).
- Cases and material were useful (UAE).
- Very useful discussion and teaching (UK).
- Checklists and descriptions were useful (Malaysia).
- The understanding of endometriosis and endometrial cancer staging was useful (Pakistan).

- Great session. Lots of learning points were useful (UK).
- Cases and teaching patterns were useful (UK).
- Nice cases (UAE).
- The teaching was useful (Nigeria).
- Best basic details. Thank you for your efforts (Pakistan).
- Great cases and explanation (UK).
- The selection of cases was useful (UK).
- Great session. Thank you (UK).
- Typical images used and detailed explanations were useful (Saudi Arabia).
- Excellent session (Pakistan).
- Image-based teaching was useful (UK).
- Comparing the appearance of the same lesions on different modalities was most useful (Nigeria).
- Thank you to the presenter and team (UK).
- Amazing session (Pakistan).
- Brilliant session (UAE).
- Very educative (Nigeria).
- Amazing session (UK).
- Wonderful session (Pakistan).
