Testimonials

- Dr. Imran is such a good teacher. All the viva tips were so useful and relevant! I have learnt a lot today and have a better understanding on how I should tackle the new viva format. Be focused as Dr. Imran said. Thank you very much! I am looking forward to more sessions from you and would like to be on the hot seat so I can get some direct feedback in preparation for my upcoming exam in June (UK).
- I don't know how many times I have said this but this was again one of the BEST sessions. High yield teaching with excellent selection of cases. Hope Dr. Imran can come again. Also candidates did well (Pakistan).
- Dr. Imran was not afraid to provide straightforward feedback which I really liked since he helped to identify common pitfalls in the viva as well as practical tips to score well on the exam. Excellent teacher and I think all teachers should endeavour to emulate his style of teaching (UK).
- The lecture was excellent. It showed very helpful cases for the exam with good approach and very nice presentation (Jordan).
- Fantastic session. Very helpful, invaluable tips to deal with the Viva exam, clear and concise feedback to each candidate. Very appreciated, many thanks Dr. Imran for time and effort (Egypt).
- The session was highly informative and provided essential knowledge regarding the exam approach and effective strategies for tackling it (Sudan).
- Dr Imran's feedback to candidates was an eye opener. We need other such sessions from him (Pakistan).
- I find it useful that I learnt to never ever diagnose from a single view! (Sudan).
- Excellent session by Dr. Muhammad Imran, very detailed explanation of every case. Thanks a lot (Pakistan).
- Great feedback, great cases, great presentation of a thought process required for the exam (UK).

- The detailed explanation after the candidates had made their submissions were very useful (Nigeria).
