Testimonials

- Brilliant session, very interesting cases, very important take home messages, many thanks to our great teacher Dr. Khan and team DKT (Egypt).
- This session is a continuation of the "potpourri" series, which offers a comprehensive and thorough review of various cases across different systems. What distinguishes these sessions is the variety of cases, allowing exam candidates to derive maximum benefit and gain a clearer understanding of key concepts. Dr. Khan consistently selects high-value, diverse cases and simplifies concepts in an engaging way, enabling candidates to approach each case with the right mind-set. The effort Dr. Khan puts into preparing these sessions is truly immense; thank you, Dr. Khan, for this outstanding work (Jordan).
- Amazing class that adds to my knowledge and also helps me with revision (South Africa).
- Every aspect of the session was useful (India).
